

Changes to the Westbury Weaver local bus service and service 58 to Frome

starting on 29 January 2018

On 29 January we will be making some adjustments to the times of the buses operated by the Frome Minibuses bus company in the Westbury area. The new timetables are included in this leaflet and include the following alterations:

- Buses from Frome and Dilton Marsh to Westbury will now be numbered 47 instead of 58 or 58C. On weekdays the new timetable will be very similar to the one currently in use, but the times of buses to/from Frome on Saturdays will be different.
- New bus service X47 will now provide a peak hour link to / from Trowbridge from Chapmanslade, Dilton Marsh and Westbury Leigh in the morning and now also in the afternoon, replacing service X58.
- Westbury local services 58A and 58B will be numbered 45A and 45B.

As a result of these changes, the times of most journeys will have changes slightly – please check them carefully.
